**Less Stress For Everyone**

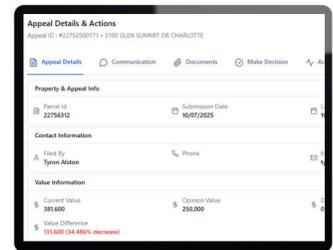

### Dashboard & KPI

See live status, processing rates, geographic distribution, value change and more

### Portal Experience

Personalized engagement with delivery of updates, status, communications & more via a secure portal

### Workflow

Automate distribution, manage workload and resources, monitor progress

### AI: Assessment Innovation

Utilize Copilots to review, aggregate, triage and prepare responses to filings. Discover patterns and insights. Generate huge efficiencies and manage resources more effectively.

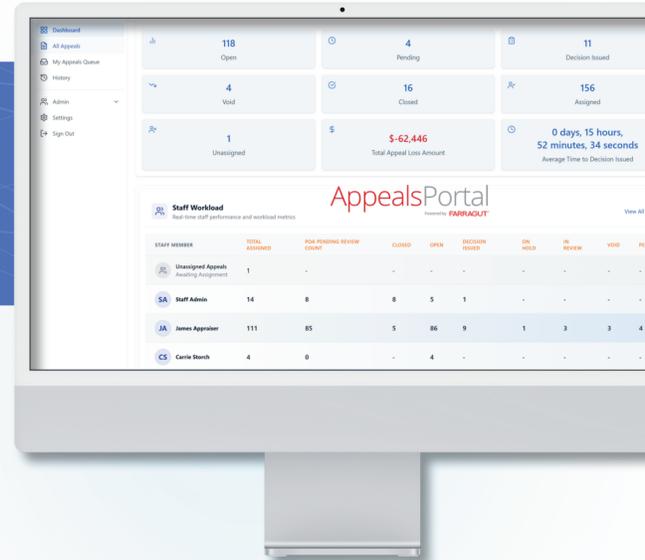

# AppealsPortal

Powered by **FARRAGUT™**

**FARRAGUT™**

From filing to final decision,  
Appeals Portal **simplifies**  
the journey.

**FARRAGUT Appeals Portal** revolutionizes the property tax appeals process using an intuitive, **user-friendly** online platform that streamlines workflows, **enhances** operational efficiency, and offers **unparalleled user experience** for property owners and tax administrators alike.

## For Staff

It's a game changer from submissions to resolutions.

- Less time chasing paperwork, more time focusing on fair decisions
- Complete, accurate filings
- Reduced errors
- Faster processing

## For Managers

It's real time insights all in one place.

- Instant operational insight via live dashboards
- Quickly review KPIs
- Create ad hoc reports
- Gain visibility into every step of the process

## For Property Owners

It removes the guesswork.

- Better understanding of your valuation
- Step-by-step filing assistance
- A personalized portal to track progress and communicate with staff; no more wondering what's happening with their appeals

## Any CAMA System

Appeals Portal works with **any existing Tax Administration system or Online Property Search**

## Hosted

**Delivered as Cloud Native SaaS** so nothing to set up for your IT Dept and no servers to maintain with 24/7 support

## Configurable

**Self-configurable with an intuitive interface** to provide all the **flexibility** your office needs
